

New Type of UV Sensor for Magner150

UV sensor of iHUNTER was discontinued from the manufacture and the new type UV Sensor is supported since last December.

The old type UV Sensor is **590A** and the new type is **591A**.

By changing UV Sensor, Part Numbers of CF FRONT SENSOR BOARD and CF REAR SENSOR BOARD are changed as below.

		Before December 2012	After December 2012
UV Type		590A	591A
Part No.	CF FRONT SENSOR BOARD	SET-1040	<div>SET-1040-2</div> 
	CF REAR SENSOR BOARD	SET-1041	<div>SET-1041-2</div> 

UV Sensor type of CF FRONT SENSOR BOARD must be the same with CF REAR SENSOR BOARD.

CF and IR software notation

Upgrade Software for 591A type is the same with GU30GS version.
